

To the US District Court for Oregon  
Benjamin Barber  
vs  
Pat Garrett  
Case no 18-00000000  
Motion to reconsider  
or injunction

Plaintiff is unable to file A New Habeas Corpus, because the Washington County Jail has told him he lacks funds in his inmate balance, and so he can't be able to photocopy or send the required forms. Therefore the

Plaintiff seeks assistance to either reactivate this case with appointment of Counsel from the federal public Defenders, or to issue an order to require assistance with access to the Court. I have attempted to exhaust the grievance system, but the last level of grievance hasn't been responded to in 10 days, but typically undersheriff Mori responds with a canned response that it was already denied and he is closing the appeal. So I seek relief so I can try to file Habeas Corpus in federal court.
